Rights and Restrictions

You may:

1. Download any and all of the video formats in this folder.
2. Post this video on your website(s).
3. Use it presentations, including (but not limited to) workshops, conferences, conventions, employee orientations, faith services, community gatherings, as a public service announcement, and for educational therapeutic purposes..
4. Use the video for other non-commercial purpose.
5. Use the video to promote nonprofit public service organizations.
6. Use the video for home use.
7. Copy this video to disc and share it with others, so long as this “Important Information” document is included.

You must:

1. Attribute the video to the International Center for Compassionate Organizations. (Note that showing the full video with the reference to the International Center at the end satisfies this requirement).
2. Not modify the video in any way, including remixing, transforming, and building upon the video.
3. Not misrepresent the video’s source (i.e., the [International Center for Compassionate Organizations](#)).
4. Not use the video to promote or sell commercial products.
5. Not sell the video, charge for viewing the video, or use it as a product or service promotional give-away.
6. Not imply that the video is an indorsement of the presenting organization by International Center (with the exception of [International Center partners and supporters](#)).

Continued on the following page.

Uses

The video is FREE and will be of value to:

- Informal groups and nonprofits with an interest in compassion.
- Schools, colleges, and universities.
- Workplaces — management and staff orientations, etc.
- Governments.
- Faith groups.
- Social advocacy agencies.
- Rights advocates.
- Criminal-justice organizations.
- Peacekeeping agencies.
- Associations (governmental, hospitality, international relations, corporate, fraternal, service, relief).
- Peace and reconciliation organizations.
- ... and any others interested in the power of compassion as an alternative to bickering, divisiveness, and violence

Here are just some examples of approved usage under these terms and conditions:

- Governments (cities, counties, states/provinces, national and their agencies) can use the video for public service announcements, staff training, community outreach, statement of values, and as part of their compassionate government campaigns.
- Mental health professionals can use the video on their websites, in therapy sessions, for giving talks and workshops.
- Corporations can use the video as a public service announcement, as a part of their statement of values, for staff training and orientations, and for outreach programs.
- Nonprofit organizations can use the video to promote their organizations as well use it in trainings, fundraising events, workshops, and volunteer orientations.
- Consultants and coaches can use the video in their practice, as public service announcements, and client orientations.

Please put this public service video to work — pass it on to others as you see fit (friends, teachers, colleagues, and those you'd like to have view it). Be sure to include these instructions.
